

# KICKOUT & POSITIONER MAGNETIC SWITCHES

Automatic, electronic lift kickout and bucket positioners allow the operator to concentrate on positioning the machine rather than the bucket, resulting in higher efficiency for greater productivity. CTP has magnetic switches available for most Wheel and Track type loaders.

## The advantages of CTP electronic magnetic switches:

- ✓ Reliable
- ✓ Insensitive to vibration
- ✓ Bounce-free switching
- ✓ High repeat accuracy
- ✓ Rapid response times
- ✓ High sensitivity
- ✓ Temperature-stable
