

Part No. RMF09228

C7 ENGINE NEW SURPLUS

For Truck / Combat and Tactical Vehicles

Serial: RMF00001-UP / Engine AR 344-9495 / 212-3652 PISTON & ROD GP / 16.5:1 RATIO

ENGINE SPECIFICATIONS

Bore..... 110 mm (4.33 in)
 Stroke..... 127 mm (5.00 in)
 Displacement.....7.2 L (439 cu. in)
 Performance.....370 HP / 276 kW
 Number of Cylinders.....6

Cylinder Arrangement..... In-line
 Valves Per Cylinder.....3
 Type of combustion.....Direct injection
 HEUI.....Hydraulic Electronic Unit Injection
 Vehicle/Truck Application

Overview

Reliability

The C7 Combat/Tactical Heavy Duty TRUCK engine offers outstanding reliability & performance. Designed and built to military specifications, this engine is built to withstand the harshest and most severe environments.

Durability

The C7 RMF engine is designed for military use and uses the most reliable components available. Built tough, this engine with proper maintenance can last well over one million miles.

Performance

The C7 with its single turbo charger and simple electronics make it the ideal truck engine; they are reliable, economical and easy to maintain.

Engine Components

The RMF C7 comes completely assembled with:

- Turbo Charger with Waste Gate
- Flywheel/Flex Plate & Flywheel Housing (for Automatic transmission)
- ECM Computer / Software 360-1332
- Electronic HEUI Injectors
- HEUI High Pressure Pump
- Oil Filter Housing
- Motor Starter
- Oil Cooler
- Air Compressor
- Hydraulic Steering Pump
- Water Pump
